 Signature

CARPET TILE

Featuring Signature's carpet tile collections with various design aesthetics, sizes and colorations working in all types of interior spaces.

Elements Dissolved & Elements Exposed

Drawing inspiration from the industrial aesthetic of oxidized metal, Elements Dissolved and Elements Exposed turn weathered metallic patinas into a unique pattern of abstract sophistication.

- Two Styles
- 9 colorways for each style
- 24" x 24" and 12" x 24" size
- Customize Elements Exposed accent stripe for a 250 sq.yd. min.

Bevel | Bevel Accent & Grid | Grid Accent

Architectural details define a floorscape with Bevel | Bevel Accent and Grid | Grid Accent. A linear framework and interlocking patterns create intricate angles and shards across a space.

- Four Styles
- 6 colorways for each style
- 24" x 24" size
- Customize Bevel Accent or Grid Accent for a 250 sq.yd. min.

Terra Cruda Collection | Fashion Plane & Formwork

Terra Cruda gets its name from the rugged, natural textures and accumulative layers of earthen forms. The collection draws inspiration from these elements in Formwork and Fashion Plane.

- Two styles
- 12 colorways for each style
- 24" x 24" and 12" x 48"

HUE

A solid color tile with vivid colors and linen-like texture. Choose from a striking color palette made to enhance the myriad color needs of interior spaces.

- 21 colorways
- Accents, insets and borders only
- 24" x 24" and 12" x 48"

CARPET TILE & LVT WORKING TOGETHER

Transition seamlessly with any of Signature's carpet tiles with Real Appeal Loose Lay LVT, both are at the same height thickness to possibly eliminate transition strips.

- Elimination of most transition moldings
- Lower profile for safer foot traffic and ease of roller mobility
- 5mm thickness, same thickness as our carpet tiles
