NATURAL INSTINCT, WPC

Featuring the realism of embossed-in register detail, Natural Instinct explores a luxurious palette of rustic modern wood visuals in impressive 9" x 60" planks.

NOTABLE, WPC

Distinguishable in all types of spaces, Notable provides an array of wood visuals. Colors include warm and cool gray tones, as well as rich, deep browns and bleached woods. All offered in 6" x 48" planks with high variation contrast.

Natural Instinct and Notable's composite core is waterproof and offers excellent comfort underfoot with an attached acoustical sound-deadening pad.

REAL APPEAL and VIVID EXPRESSIONS, LOOSE LAY

Features oak, maple, pine and hickory wood grains. Both available in 5mm loose lay construction, 6" x 48" Real Appeal and 9" x 59.72" Vivid Expressions size.

NATURE CRAFT, GLUE DOWN

From oak, maple, and elm wood grains to a variety of colorations ranging from neutral beige to tavern brown and desirable greys. Available in 7" x 48" plank size, 12MIL and 20MIL constructions.

WORKING TOGETHER CARPET TILE & LVT

Transition seamlessly with any of Signature's carpet tiles with Real Appeal Loose Lay LVT, both are at the same height thickness to possibly eliminate transition strips.

- Ease of foot traffic and roller mobility
- 5mm thickness, same thickness as our carpet tiles
