BIRDS EYE COLLECTION

A Custom Broadloom Collection for
Independent and Assisted Living

Understanding the needs of residents, staff, operators and owners, allows Signature to purposefully design for senior living communities with coordinated flooring solutions and superior performance contributing to the enhanced well-being for all.

Birds Eye Collection embraces our love and connection to nature through Biophilic design from aerial farmlands, and inner city connections to frozen riverbeds and snow capturing trails, the views are nothing short of breathtaking.

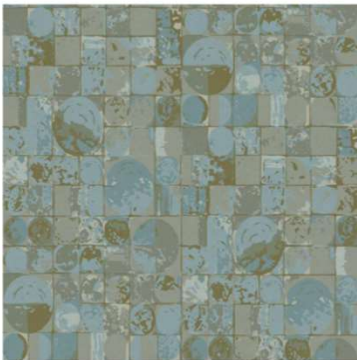

Designed for independent and assisted living communities, the Birds Eye Collection transitions patterns, scales and colors throughout spaces easily in Continuing Care Retirement Communities CCRC and other types of senior living facilities.

IGNITE YOUR CREATIVITY
Recolor. Create. Visualize.
Inspire.

Our easy to use custom design website Signature Spark allows you to recolor custom carpet patterns, create tackboards, manage project assets, find inspiration, visualize in a roomscene and much more. Recolor Canopy or create your own at signatureflooring.com/spark

BIOCEL CUSHION BACKING

The Canopy Collection can also be installed on Signature's BioCel Cushion, which provides comfort underfoot and a moisture barrier against stains and spills. With renewable and recycled resource content, BioCel offers a more sustainable alternative to traditional cushions.

Strength, flexibility and ease of installation make BioCel Cushion the efficient, effective choice for independent and assisted living spaces. Designed to withstand repeated wet cleanings, allowing for ease of maintenance and protection against daily wear and tear.

From Farm to Floor

From America's farms to your floor, BioCel is the carpet backing solution for thoughtfully designed spaces. We work with soybean farmers, the United Soybean Board along with the USDA - replacing a percentage of the petroleum-based polymers with renewable, biobased material extracted from US-grown soybeans.

ARTISTRY BROADLOOM

Beautiful cut & loop design in eight comforting colorways. Polyester (PET) carpet fibers offer exceptional softness and color clarity and are naturally stain and fade resistant.

Excellent protection from stains and pet urine stains, and offers colorfastness to light and static resistance

Polyester (PET) carpet fibers offer exceptional softness and color clarity and are naturally stain and fade resistant. Available in 12' broadloom.

REAL APPEAL^{LVT}

Features the beauty of natural wood with a range of visuals including oak, maple, pine and hickory wood grains. Rich colorations range from driftwood to espresso.

Available in 5mm loose lay construction in 6" x 48" and transitions easily to any of our carpet tiles

TRELLIS ENTRYWAY SYSTEM

Signature's Trellis Entryway System provides protection against dirt and moisture in high traffic areas that are subject to the most demanding use.

Our Trellis product contributes to the effective maintenance of your specified flooring and helps keep your building clean and safe.

- Needlepunch construction
- 100% solution dyed UV polypropylene
- 54 oz. per sq. yd.
- Custom logos, insets and borders available
- Twenty colorways

Trellis Entryway System can be customized with specific colors, company logos, insets and borders and can be custom cut for any space. UV-stable, inlaid construction ensures that corporate logos, colors and decorative motifs stay bright for years to come.
