

Reflective Echoes

Step into the gentle embrace of nostalgia with the **Reflective Echoes Collection**, where every design element is thoughtfully curated to evoke emotion and cherished memories. Inspired by the understated elegance of the mid-20th century, our collection of broadloom and carpet tiles delicately intertwines geometric patterns and soft, soothing hues, creating a tranquil environment ideal for senior living spaces. Each step is a tender journey through time, nurturing memory and enveloping residents in a comforting sense of familiarity.

Explore the **Reflective Echoes Collection** at **EFA, booth 521**, and rediscover the power of design to shape both space and memory.
