MODERN TEXTURES

CORRIDOR COLLECTION

DESIGN IN MOTION.

Modern Textures introduces a refined approach to corridor design, where movement, texture, and color come together to enhance the guest experience. Each pattern is developed to balance performance and emotion, guiding flow while complementing today's contemporary interiors. Sculptural weaves, layered surfaces, and a versatile palette create depth and dimension, transforming transitional areas into intentional design moments. The collection offers six distinct patterns, each available in seven thoughtfully curated colorways ranging from sun-washed neutrals to rich, saturated tones. Designed for cohesion across large-scale properties, the palette allows designers to layer tones and textures for mood, contrast, and continuity. Together, these elements deliver a corridor collection that elevates design continuity and enhances the guest journey—turning every passageway into an immersive, memorable experience.

COVER: SG040 LINA I 4910 ARGOSY I
BROADLOOM 15'W | PATTERN REPEAT 90" W X 108" L

CUSTOM CARPET • BROADLOOM CARPET • CARPET TILE • RUGS • ENTRYWAY SYSTEMS • HARD SURFACE

- Six Modern, Expressive Corridor Patterns
- Seven Colorways From Subtle Neutrals to Saturated Brights
- Broadloom 15' Width
- 100% Solution Dyed Nylon
- 40oz ColorPoint Tufted Technology
- Stain and Soil Release Technology
- Coordinates with Whisper guestroom collection

SPECIFICATIONS

Construction	Tufted ColorPoint
Pile Fiber	100% Solution Dyed Nylon
Surface Appearance	Level Patterned Cut & Loop
Gauge	1/10 (39.37 rows per 10 cm)
Stitches Per Inch	11 (43.31 per 10 cm)
Pile Height	Average - .208
Total Thickness	Approximate 10/32"
Tufted Pile Weight	40 oz. per sq. yd. (1356 g/m ²)
Dye Method	Solution Dyed
Pattern Repeat	90" x 108"
Primary Backing	Woven Polypropylene
Secondary Backing	High Performance SBR Latex with Attached Woven Secondary
Density	7,063
Protection	Soil & Stain Release Technology
Width	15'
Adhesive	Signature 2800 Multi-Purpose Latex Signature 1801 Universal Seam Sealer must be used for all installations where seaming is necessary

TESTING

Radiant Panel (ASTM E 648)	Class 1 (Direct Glue)
Smoke Chamber (ASTM E 662)	Less than 450 (Flaming Mode)
Methenamine Pill Test (ASTM D-2859)	Passes
Electrostatic Propensity (AATCC 134)	Less than 3.5 KV

WARRANTY

Limited 10 Year Commercial Wear Warranty

SUSTAINABILITY

Indoor Air Quality CRI Green Label Plus Certified 2121

Made in USA

Specifications are based on averages from manufacturing processes and may vary within normal industry tolerances. Material supply and / or manufacturing processes may necessitate specification changes without notice. Such variations do not affect product performance. This carpet is manufactured and recommended for floor covering use only. As in all quality carpet, colors are subject to dye lot variations. For optimum side match and finished seam appearance, this product should be installed whenever possible, with seams running perpendicular to major external (outside) light sources. The equipment used to manufacture patterned (graphics) carpet may create visible lines in both length and width directions. This characteristic will not always be detectable in small samples and is not considered a manufacturing defect. Chair pads are recommended under office chairs with rollers to preserve appearance retention, avoid premature or accelerated wear, and act as a deterrent toward delamination. Special backing systems are available that do not require chair pads. Walk off mats are recommended at building entry ways to reduce soiling. For Warranties to apply, all adhesives and seam sealers must be approved by Signature.

NOTE: This product contains a high luster yarn which utilizes cut/sheared processing in the design. The luster level of this yarn may cause a directional effect when viewing the pattern.
