Carbon Reduction & Innovation			
Tracking transport Carbon Footprint	X	X	X
Reduced Packaging Efforts	X	X	X
US-based manufacturing	8/8 factories	2/2 factories	6/6 factories
Circularity/Waste Reduction			
100% recyclable/reusable interior packaging	X	X	X
Recyclable products	X	X	X
Sustainable/Healthy Materials			
Sustainable Raw Materials	0%	100%	21%
Chemical Compliance Certified	X	X	X
Sustainable Packaging Materials	28%	86%	40%
Social Responsibility			
Following UN Convention - Fair Labor Practices & Human Rights	7/8 factories	2/2 factories	5/6 factories

Carbon Reduction & Environmental Impact Performance

At all U.S.-based manufacturing facilities, measures have been implemented to track and mitigate carbon emissions generated during the manufacturing process.

Signature Flooring products support healthy interiors through compliance with chemical standards, verified by third-party certifications such as Green Label Plus and FloorScore.

Through the California CARE (Carpet America Recovery Effort) program, Signature Flooring supports the diversion and recycling of post-consumer carpet from landfills.
