Whisper

Whisper

A BREATH OF STILLNESS

In a world that moves quickly, Whisper offers a gentle pause—a quiet moment drawn from nature's most delicate rhythms. Inspired by the graceful sway of tall grasses, the weightless drift of dandelion seeds, and the soothing pull of the wind across an open landscape, this pattern captures the poetry of movement without motion.

With soft, neutral earth tones that echo sand, stone, and sunlit fields, Whisper invites calm into hospitality spaces. Its subtle texture and linear flow create a grounded elegance—softening interiors and enveloping guests in an atmosphere of ease and serenity.

Designed specifically for guest rooms, Whisper introduces a sense of calm through tonal color and gentle directionality—bringing quiet structure and natural softness to the space. With refined simplicity and understated elegance, it transforms the guest experience, creating a restful retreat that feels both timeless and effortlessly serene.

Let Whisper carry your design forward—with quiet beauty and a breath of nature's own grace.

SPECIFICATIONS

Construction	Tufted Infinity
Pile Fiber	100% Solution Dyed Nylon
Surface Appearance	Level Patterned Cut & Loop
Gauge	1/10 (39.37 rows per 10 cm)
Stitches Per Inch	13.3
Pile Height.....	Average - .199
Total Thickness	Approximate 10/32"
Tufted Pile Weight.....	32 oz. per sq. yd. (1085 g/m2)
Dye Method	Solution Dyed
Pattern Repeat.....	36" x 36"
Primary Backing	Woven Polypropylene
Secondary Backing	High Performance SBR Latex with Attached Woven Secondary
Density	5,795
Protection	Soil & Stain Release Technology
Tufted Width.....	12' / 15'
Adhesive	Signature 2800 Multi-Purpose Latex Signature 1801 Universal Seam Sealer must be used for all installations where seaming is necessary

TESTING

Radiant Panel (ASTM E 648)	Class 1 (Direct Glue)
Smoke Chamber (ASTM E 662)	Less than 450 (Flaming Mode)
Methenamine Pill Test (ASTM D-2859)	Passes
Electrostatic Propensity (AATCC 134).....	Less than 3.0 KV

WARRANTY

Limited 10 Year Commercial Wear Warranty

SUSTAINABILITY

Indoor Air Quality.....	CRI Green Label Plus Certified 2121
Made in USA	

Specifications are based on averages from manufacturing processes and may vary within normal industry tolerances. Material supply and / or manufacturing processes may necessitate specification changes without notice. Such variations do not affect product performance. This carpet is manufactured and recommended for floor covering use only. As in all quality carpet, colors are subject to dye lot variations. For optimum side match and finished seam appearance, this product should be installed whenever possible, with seams running perpendicular to major external (outside) light sources. The equipment used to manufacture patterned (graphics) carpet may create visible lines in both length and width directions. This characteristic will not always be detectable in small samples and is not considered a manufacturing defect. Chair pads are recommended under office chairs with rollers to preserve appearance retention, avoid premature or accelerated wear, and act as a deterrent toward delamination. Special backing systems are available that do not require chair pads. Walk off mats are recommended at building entry ways to reduce soiling. For Warranties to apply, all adhesives and seam sealers must be approved by Signature.

NOTE: This product contains a high luster yarn which utilizes cut/sheared processing in the design. The luster level of this yarn may cause a directional effect when viewing the pattern.
